DRISCOLL explained that this information was passed onto her from a student and that one of the school buses (bus #7) still has not arrived. I informed DRISCOLL that The NHPD had not received any reports, but that I would look into it. I had DRISCOLL provide me with the route that the school bus normally takes. I contacted RCD and confirmed that they had not received any reports of a school tipping over. I also attempted to contact First Student Bus Company and the call would not go through. Prior to checking the route, I received notification from DRISCOLL that the unaccounted school bus had just arrived at the school.
